The fifth expansion to Blizzard Entertainment's acclaimed massively multiplayer online role-playing game leads players to the untamed world of Draenor, where the orc warchief Grommash Hellscream is forging his twisted Iron Horde into a world-shattering weapon of conquest. "We're sending players deep into uncharted territory with *Warlords of Draenor*," said Mike Morhaime, CEO and cofounder of Blizzard Entertainment. "New features like the Garrison will give players a commanding role in the *Warcraft* saga like never before, and everyone can get in on the action right away with the included level-90 boost. There's never been a better time to go to war for the Horde or the Alliance."
