

## Activision Blizzard Given Temporary Trading Symbol ATVID Until August 6, 2008

SANTA MONICA, Calif., Jul 10, 2008 (BUSINESS WIRE) -- Activision Blizzard, Inc. (Nasdaq:ATVID) announced that effective today the Nasdaq has given Activision Blizzard a temporary trading symbol of ATVID under which it will trade until August 6th, 2008. The "D" designation to the company's trading symbol was assigned by NASDAQ in order to reflect the recent change in the company's name and CUSIP number. Activision Blizzard's new CUSIP number is 00507V109. Beginning August 7th, 2008, Activision Blizzard will trade under the previous company symbol of ATVI.

Cautionary Note Regarding Forward-looking Statements: Information in this press release that involves Activision Blizzard's expectations, plans, intentions or strategies regarding the future are forward-looking statements that are not facts and involve a number of risks and uncertainties. Activision Blizzard generally uses words such as "outlook," "will," "remains," "to be," "plans," "believes," "may," "expects," "intends," and similar expressions. Factors that could cause Activision Blizzard's actual future results to differ materially from those expressed in the forward-looking statements set forth in this release include, but are not limited to, sales of Activision Blizzard's titles in its fiscal year 2009, shifts in consumer spending trends, the seasonal and cyclical nature of the interactive game market, Activision Blizzard's ability to predict consumer preferences among competing hardware platforms (including next-generation hardware), declines in software pricing, product returns and price protection, product delays, retail acceptance of Activision Blizzard's products, adoption rate and availability of new hardware and related software, industry competition, rapid changes in technology and industry standards, protection of proprietary rights, litigation against Activision Blizzard, maintenance of relationships with key personnel, customers, vendors and third-party developers, domestic and international economic, financial and political conditions and policies, foreign exchange rates, integration of recent acquisitions and the identification of suitable future acquisition opportunities, Activision Blizzard's success in integrating the operations of Activision and Vivendi Games in a timely manner, or at all, and the combined company's ability to realize the anticipated benefits and synergies of the transaction to the extent, or in the timeframe, anticipated. Other such factors include the further implementation, acceptance and effectiveness of the remedial measures recommended or adopted by the special sub-committee of independent directors established in July 2006 to review Activision's historical stock option granting practices, the finalization of the tentative settlement of the SEC's formal investigation and final court approval of the proposed settlement of the derivative litigation filed in July 2006 against certain current and former directors and officers of Activision Blizzard relating to Activision Blizzard's stock option granting practices, and the possibility that additional claims and proceedings will be commenced, including additional action by the SEC and/or other regulatory agencies, and other litigation unrelated to stock option granting practices and any additional risk factors identified in Activision Blizzard's most recent annual report on Form 10-K and quarterly reports on Form 10-Q and the definitive proxy statement filed on June 6, 2008 in connection with the Vivendi transaction. The forward-looking statements in this release are based upon information available to Activision Blizzard as of the date of this release, and Activision Blizzard assumes no obligation to update any such forward-looking statements. Forward-looking statements believed to be true when made may ultimately prove to be incorrect. These statements are not guarantees of the future performance of Activision Blizzard and are subject to risks, uncertainties and other factors, some of which are beyond its control and may cause actual results to differ materially from current expectations.
