Franchise that Pioneered the Toys-to-Life™ Category Leads Holiday Hot Gift Lists for Fourth Consecutive Year

SANTA MONICA, Calif.--(BUSINESS WIRE)-- Behold, Portal Masters! Activision Publishing, Inc., a wholly owned subsidiary of Activision Blizzard, Inc. (NASDAQ: ATVI) is pleased to announce that **Skylanders Trap Team** is officially available at major retailers nationwide on Xbox 360™ and Xbox One™ video game and entertainment systems from Microsoft, PlayStation® 3 and PlayStation® 4 computer entertainment systems, Nintendo's Wii™ system, Nintendo's Wii U™ system, and a completely unique adventure is also available on the Nintendo 3DS™ hand-held system. The launch of **Skylanders Trap Team** also ushers in the complete console gaming experience on Tablet*, introducing a Starter Pack that supports iPad®, Kindle Fire and Android tablets.

"The Skylanders® franchise was built on a foundation of creativity and innovation," said Eric Hirshberg, CEO of Activision Publishing. "And with **Skylanders Trap Team**, we're taking that tradition of innovation to new heights. For the last three years we've allowed kids to bring their toys to life in a video game, and this year, we're letting them reach into the game, and pull characters out into the physical world by letting players trap and play as the villains. **Skylanders Trap Team** is also the first console game to simultaneously bring the entire AAA experience to tablet devices. Overall, we think **Skylanders Trap Team** represents our most magical innovation yet. But most importantly, it's just a great game."

The latest installment of the franchise that pioneered the *Toys-to-Life* genre is already poised to become one of the top family games this holiday season. **Toys"R"Us**® recently named **Skylanders Trap Team** as one of the "Fabulous 15" on the company's 2014 Holiday Hot Toy List, while Target named **Skylanders Trap Team** to their Top Toys for the Holidays List. In addition, the game was featured in Toy Insider's Hot 20 Holiday Toys of 2014, which highlights the most sought-after and anticipated items of the holiday season.

Skylanders continues to lead and evolve the category with **Skylanders Trap Team** by letting fans seek out and defeat the most wanted villains in all of Skylands, pull them out of the game and into living rooms by capturing them in magical Traps. Once they've defeated the villains, players will be able to place a Trap into the new *Traptanium Portal™* to capture them. Players can then send villains back into the game where they can play as them to fight for good, reversing the magic. They will also be able to hear the villains inside the Traps, an innovation that truly brings life to toys.

"Since it launched four years ago, the *Skylanders* brand has continued to captivate young fans around the world who eagerly crowd our stores every time a new collectible character is introduced," said Richard Barry, Executive Vice President, Chief Merchandising Officer, Toys"R"Us, Inc. "In preparation for the debut of **Skylanders Trap Team**, which truly reinvents the franchise's signature gameplay, our teams across the globe have worked year-long to ensure Toys"R"Us is THE destination for Portal Masters ready to experience all the fun the new game - and our exclusive Legendary *Skylanders* toys - have to offer."

The game also features a variety of elementally aligned Traps with unique and interesting designs. About the Skylanders® Franchise

The award-winning, \$2 billion *Skylanders* franchise pioneered the *Toys-to-Life*TM category in 2011 with the debut of *Skylanders Spyro's Adventure*®.
