

## Call of Duty®: World at War: ZOMBIES II Now Available

### Blockbuster Franchise Returns with New App for iPhone(R), iPod touch(R)

SANTA MONICA, Calif., June 4, 2010 /PRNewswire via COMTEX News Network/ -- Zombies return to the "Death Swamp" in their relentless pursuit for brains today, as Activision Publishing, Inc. (Nasdaq: ATVI) and developer Treyarch released **Call of Duty: World at War: ZOMBIES II**, an adaptation of the popular "Shi No Numa" map for the iPhone and iPod touch. Originally released as downloadable content for one of the most popular and played online games of 2009, **Call of Duty: World at War**, "Shi No Numa" gives players new characters, a massive new location, the deadly new Wunderwaffe DG-2, new traps, and the addition of Hellhounds to the attacking legions of Undead. This new app is available for \$9.99 through the app store, but fans who own the original **Call of Duty: World at War: ZOMBIES** can download "Shi No Numa" as an In-App Purchase for \$4.99.

Named as one of iTunes Rewind's Best Apps of 2009, **Call of Duty: World at War: ZOMBIES** faithfully delivers upon the experience of one of the most popular and played online games of 2009. The game offers limitless rounds of a single player experience in addition to intense co-op gameplay experience in full 3-D, allowing up to four players to join a game via Wi-Fi, locally or across the Internet, and up to two players via Bluetooth.

The original **Call of Duty: World at War: ZOMBIES** and **Call of Duty: World at War: ZOMBIES II** Apps, developed by Ideaworks Game Studio for the iPhone and iPod touch based on Treyarch's console version, are available for \$9.99 from the App Store at [www.itunes.com/appstore/](http://www.itunes.com/appstore/). The "Verruckt" map, also developed by Ideaworks Game Studio, is available for \$4.99 from the main menus of both **Call of Duty: World at War: ZOMBIES** and **Call of Duty: World at War: ZOMBIES II**.

**Cautionary Note Regarding Forward-looking Statements:** Information in this press release that involves Activision Publishing's expectations, plans, intentions or strategies regarding the future are forward-looking statements that are not facts and involve a number of risks and uncertainties. Activision Publishing generally uses words such as "outlook," "will," "could," "would," "might," "remains," "to be," "plans," "believes," "may," "expects," "intends," "anticipates," "estimate," "future," "plan," "positioned," "potential," "project," "remain," "scheduled," "set to," "subject to," "upcoming" and similar expressions to identify forward-looking statements. Factors that could cause Activision Publishing's actual future results to differ materially from those expressed in the forward-looking statements set forth in this release include, but are not limited to, sales levels of Activision Publishing's titles, shifts in consumer spending trends, the impact of the current macroeconomic environment, the seasonal and cyclical nature of the interactive game market, Activision Publishing's ability to predict consumer preferences among competing hardware platforms, declines in software pricing, product returns and price protection, product delays, retail acceptance of Activision Publishing's products, adoption rate and availability of new hardware (including peripherals) and related software, industry competition, rapid changes in technology, industry standards and consumer preferences, protection of proprietary rights, litigation against Activision Publishing, maintenance of relationships with key personnel, customers, licensees, licensors, vendors and third-party developers, counterparty risks relating to customers, licensees, licensors and manufacturers, domestic and international economic, financial and political conditions and policies, foreign exchange rates and tax rates, integration of recent acquisitions and the identification of suitable future acquisition opportunities, and the other factors identified in the risk factors section of Activision Blizzard's most recent annual report on Form 10-K and any subsequent quarterly reports on Form 10-Q. The forward-looking statements in this release are based upon information available to Activision Publishing and Activision Blizzard as of the date of this release, and neither Activision Publishing nor Activision Blizzard assumes any obligation to update any such forward-looking statements. Forward-looking statements believed to be true when made may ultimately prove to be incorrect. These statements are not guarantees of the future performance of Activision Publishing or Activision Blizzard and are subject to risks, uncertainties and other factors, some of which are beyond its control and may cause actual results to differ materially from current expectations.
