## PROXY STATEMENT

for a Special Meeting of Stockholders to be held on April 4, 2005

### GENERAL

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the "Board" or "Board of Directors") of Activision, Inc., a Delaware corporation (the "Company"), of proxies from the holders (the "Stockholders") of the Company's issued and outstanding shares of common stock, \$.000001 par value per share (the "Common Stock"), to be used at a Special Meeting of Stockholders to be held on Monday, April 4, 2005, at the offices of Bryan Cave LLP, 120 Broadway, Suite 300, Santa Monica, California 90401, at 9:00 a.m., local time, and at any adjournment or postponement of such meeting (the "Special Meeting"), for the purposes set forth in the accompanying Notice of Special Meeting of Stockholders. This Proxy Statement and enclosed proxy card are first being mailed to the Stockholders of the Company on or about March 7, 2005.

### RECORD DATE AND QUORUM

Stockholders of record at the close of business on March 7, 2005, are entitled to notice of, and to vote at, the Special Meeting. On the record date there are expected to be approximately 150,000,000 shares of Common Stock of the Company outstanding. Each share of Common Stock outstanding on the record date is entitled to one vote on the matter presented for action at the Special Meeting. Shares of Common Stock were the only voting securities of the Company outstanding on the record date. A majority of the outstanding shares of Common Stock must be present in person or by proxy at the Special Meeting in order for a quorum to be present. Abstentions and broker non-votes are included for purposes of determining whether a quorum is present at the Special Meeting.

### REQUIRED VOTES

The affirmative vote of a majority of the outstanding shares of Common Stock of the Company is required for approval of the proposed amendment to the Company's Amended and Restated Certificate of Incorporation, as amended, to increase the number of shares of authorized Common Stock (the "Proposal"). Abstentions will have the effect of a vote "AGAINST." Broker non-votes will not be counted either for or against this proposal to determine if it is approved. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

In the event that sufficient votes in favor of the proposal are not received by the date of the Special Meeting, the Chairman of the Special Meeting may propose one or more adjournments of the Special Meeting to permit further solicitations of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the shares in person or by proxy at the Special Meeting.

### PROXIES

Whether or not you are able to attend the Special Meeting, you are urged to complete, sign and return your proxy card. The Common Stock represented by all properly executed proxy cards received by the Company prior to the Special Meeting, and not revoked, will be voted at the Special Meeting as directed in the signed proxy. If no directions are specified, such proxies shall be voted FOR the Proposal. Any Stockholder may revoke or change its proxy at any time before the proxy is voted at the Special Meeting by (i) sending another properly executed proxy bearing a later date or a written notice of revocation of the proxy to the Secretary of the Company at the Company's principal executive offices or (ii) voting in person at the Special Meeting.

### COSTS OF PROXY SOLICITATION

The Company will bear the entire cost of this proxy solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement, the proxy and any additional solicitation materials sent by the Company to Stockholders. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares of Common Stock for their expenses in forwarding the proxy materials to such beneficial owners. Proxies may be solicited by Directors, officers and regular employees of the Company, without additional compensation, personally or by telephone.

## PROPOSAL

### **Approval of Amendment to Amended and Restated Certificate of Incorporation, as Amended, to Increase Authorized Shares**

The Stockholders are being asked to approve an amendment to the Company's Amended and Restated Certificate of Incorporation, as amended (the "Certificate"), to increase the number of authorized shares of Common Stock from 225,000,000 to 450,000,000. The Board on January 24, 2005, adopted resolutions approving and authorizing the amendment and directing that the amendment be submitted to a vote of the Stockholders at a Special Meeting. The Board determined that the amendment is in the best interests of the Company and its Stockholders and unanimously recommends approval by the Stockholders. If the proposed amendment is approved by the Stockholders, the Board currently intends to file with the Secretary of State of the State of Delaware a Certificate of Amendment to the Certificate reflecting such amendment as soon as practicable following Stockholder approval.

The Certificate currently authorizes the issuance of up to 230,000,000 shares of stock, of which 225,000,000 shares are designated as Common Stock and 5,000,000 shares are designated as Preferred Stock. Of the 5,000,000 shares of Preferred Stock authorized, 1,250,000 shares have been designated as Series A Junior Preferred Stock. No shares of Preferred Stock or Series A Junior Preferred Stock are issued and outstanding. The proposed amendment will not, if adopted, result in an increase in the number of authorized shares of Series A Junior Preferred Stock or an increase in the total number of authorized shares of Preferred Stock. Of the 225,000,000 shares of Common Stock currently authorized, as of the close of business on February 1, 2005, there were 142,517,969 shares issued and outstanding. In addition, as of February 1, 2005, the Company has reserved up to approximately 1,539,000 shares of Common Stock for issuance upon the exercise of outstanding warrants, 418,683 shares of Common Stock for issuance pursuant to the Company's employee stock purchase plans and 48,965,683 shares of Common Stock for issuance pursuant to the Company's current incentive compensation plans and programs.

The Board of Directors has proposed this amendment to ensure that the Company has sufficient shares available for general corporate purposes including, without limitation, equity financings, acquisitions, establishing strategic relationships with corporate partners, providing equity incentives to employees, and payments of stock dividends, stock splits or other recapitalizations. The Company considers from time to time acquisitions, equity financings, strategic relationships and other transactions as market conditions or other opportunities arise.

Concurrently with the filing of this Notice of Special Meeting and proxy solicitation, the Company has announced a four-for-three stock split, which shall be effected by a 33-1/3% stock dividend to stockholders of record as of March 7, 2005, payable on March 22, 2005. This stock split will significantly increase the number of shares of Common Stock outstanding and the number reserved for issuance, thus necessitating the need to increase the number of authorized shares of the Company. The stock split is not conditioned upon the approval of the proposed amendment to increase the amount of authorized shares of Common Stock. Except for the stock split, the Company's management has no present arrangements, agreements, understandings or plans for the issuance or use of the additional shares of Common Stock proposed to be authorized by the amendment.

If the Stockholders approve the proposed amendment, the Board may cause the issuance of additional shares of Common Stock without further vote of the Stockholders of the Company, except as may be required in particular cases by the Company's charter documents, applicable law or the rules of any national securities exchange on which shares of Common Stock of the Company may then be listed. Under the Company's Certificate, the Company's Stockholders do not have preemptive rights to subscribe to additional securities that may be issued by the Company, which means that current Stockholders do not have a prior right to purchase any new issue of capital stock of the Company in order to maintain their proportionate ownership of Common Stock. In addition, if the Board elects to cause the Company to issue additional shares of Common Stock or securities convertible into or exercisable for Common Stock, such issuance could have a dilutive effect on the voting power and earnings per share of existing Stockholders.

The increase in the number of authorized shares of Common Stock could have an anti-takeover effect, although this is not the intent of the Board in proposing the amendment. For example, if the Board issues additional shares in the future, such issuance could dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary transaction opposed by the Board of Directors. As of the date of this Proxy Statement, the Board is not aware of any attempt or plan to obtain control of the Company.

If approved, the amendment would amend and restate Article Fourth of the Certificate as follows:

“FOURTH: The total number of shares of capital stock which the Corporation shall have authority to issue is four hundred fifty million (450,000,000) shares, of which five million (5,000,000) shares are designated Preferred Stock, par value \$.000001 per share and aggregate par value of five dollars (\$5.00) (“Preferred Stock”), and of which four hundred forty-five million (445,000,000) shares are designated Common Stock, par value \$.000001 per share and aggregate par value of four hundred forty-five dollars (\$445.00) (“Common Stock”). Of the 5,000,000 shares of Preferred Stock, one million one hundred and twenty-five thousand (1,125,000) shares are designated Series A Junior Preferred Stock, par value \$.000001 per share and aggregate par value of one dollar and twelve-and-one-half cents (\$1.125).”

The affirmative vote of a majority of the outstanding shares of Common Stock is required for approval of the proposed amendment.

**The Board recommends that you vote FOR the proposed Amendment to the Amended and Restated Certificate of Incorporation, as amended.**
