SANTA MONICA, Calif., June 28, 2011 /PRNewswire/ -- **Call of Duty®: Black Ops**, the best selling game ever on the Xbox 360®, today unleashes a new onslaught of combat with a fresh delivery of downloadable content, **Call of Duty®: Black Ops Annihilation**. Available now worldwide on Xbox LIVE, **Annihilation** delivers four new multiplayer maps and a mind-blowing Zombies experience for the ultimate online showdown.

Annihilation is the third downloadable content pack release from Activision and Treyarch in support of the worldwide phenomenon and record-setting **Call of Duty: Black Ops**. - "Hangar 18," located in the highly classified military base of Area 51, where gamers will fight through experimental weapons labs, the SR-71 test hangar and a mysterious autopsy room.
- "Drive-In," where players experience close-quarters combat through a 1960's American Drive-In theater, complete with a snack shack and a classic arcade.
- "Silo," where-in gamers can infiltrate a massive secret Soviet nuclear missile site under construction within a multi-level battleground.
- "Hazard," located on the cliff sides of Cuba, gamers can explore a coastal golf course fit for a Dictator, where stocked clubhouses and manicured fairways meet snipers hidden in sand traps.
